COURSE SYLLABUS: BASICS MORALITY, ETHICS, AND MEDIA LAW (CYBER LAW)

Instructure(s) : 1)
2)
Credits : 3 credits
Meeting Times : 16 times

Course Description :

In this course, the issues of morality, ethics, and cyber laws are discussed along with the use of information and communication technology. Morality, ethics and cyber laws are discussed in a large framework, not only as a reaction and social control of cybercrime and cybercriminals but also as a reaction to the use of information and communication technology in general.
