## **COURSE SYLLABUS: ETHNOGRAPHY OF CRIMES IN INDONESIA**

Instructure(s) : 1)  
                              2)  
Credits : 3 credits  
Meeting Times : 16 times

### Course Description :

This course is planned to discuss the crime phenomena which uniquely exist in Indonesia. They are most likely affected by values and norms system of the local culture, so that such phenomena can be expected only exist in particular places not in all areas in Indonesia. The discussions are based on ethnographical concepts and theories of crime.
