COURSE SYLLABUS: CRIMINAL POLICY

Instructure(s) : 1) Dr. Anggi Aulina Harahap, Dipl.Soz
2) Drs. Johannes Sutoyo, M.A..
Credits : 3 credits
Meeting Times : 16 times

Course Description :

This course discusses the phenomena of macro crimes which need policy to be changed or intervened. In this case, a criminal policy can be seen as the way the state treats crimes in general. Criminal policies should be connected to criminology and departed from the criminological principles. Furthermore, criminology also plays an important role in the development of the policy itself.
